The diagram illustrates a hierarchical tree structure with three levels of branching. The root node at the top is labeled "REP POOL 'A1'". It branches into three child nodes. The middle child node is labeled "REP POOL 'A2'". This node further branches into three child nodes. The bottom child node is labeled "LOOSER POOL 'B'". The tree structure shows a clear hierarchy from the root down to the leaf nodes.

Handwritten diagram of a tournament bracket for a 16-player event. The bracket shows four rounds of play, with winners advancing to the right and losers falling to the bottom. Red numbers indicate the number of players remaining in each pool at each stage. The final winners pool is labeled 'LOOSER POOL. 'A''.
